Education

High School   2014 - 2019
Windermere Secondary School l BC - Canada

I graduated from high school in 2019. During high school I was able to enrol in various activities and programs, such in which I volunteered as translator for kids outside of canada. I was also part of S.U.C.C.E.S.S program which I planned different activity for high school students whose first language was not english.

Bachelor's Degree   2022 - Current
Universidade de Vila Velha l ES - Brazil

I am currently a freshman at UVV which I've had the change to participate in multiple lectures and events, such as InovaWeek and InovaApps.

Experience

InovaWeek   2022
UVV l Brazil

During my first year as a Computer Science student at UVV. I developed my first web page for the event. The page mentioned above is available on my portfolio.
